ELECTRIC LIGHTS AND POWER FOR CITY OF LOUISA

TENTATIVE AGREEMENT REACHED WITH LOBACO COMPANY FOR FULL SERVICE.

It now looks as though Louisa will soon have electric light service for streets, buildings and other public places. The Lobaco Company and our city officials have practically agreed upon rates, service, etc., and at the regular council meeting next Tuesday night the necessary steps doubtless will be taken to grant a franchise agreement to all parties.

The service will extend to Central addition and "Italy," according to present plans.

This will be a long step forward for Louisa, something badly needed. Added to our paving enterprise it will put Louisa right up on the list of modern cities.

The Lobaco Company has ample power in duplicate, which should guarantee steady service. This company installs only the best machinery and can be counted on to give Louisa a strictly modern plant. Mr. B. J. Adams and associates have demonstrated the wisdom of this policy.

A Big Game Hunt in Northern Michigan

(Four years ago T. G. Wilson planned a hunting trip in the North, and has just made it.)

I have the pleasure now to announce that I have made my return from Lake Superior, and on my way back crossed the Maconic Strait, where the treacherous 8 miles of water on a ship, the west shore about 7 miles, on the Yellow Dog river, where my 22 high power rifle rang out, and the 6 point 200-lb. deer turned a complete somersault and landed as though he was going to rise to his feet. I fired an other shot through his neck and his head wobbled to and fro and he lowered his horns to the snow and died.

The snow was about 18 inches deep making it easy for my partner and me to drag it in, we arrived at the camp about 9 a. m. and had venison liver for our dinner. That killed our illness limit with a buck and doe, so I suggested to my partner that we might as well go. We went for the remainder and employed him to haul our game and our camping outfit to the little railroad station, Antrim, Mich., and there I made my start for Kentucky, where my friends and relatives were waiting to see the large deer that was killed in Marquette county, Mich. I can say without exaggerating that I saw deer tracks in the snow as thick as rabbit tracks in Kentucky, and I could have killed more deer if the law would have permitted me. I also saw porcupines and had the pleasure of capturing one and roasting him of some of his quills. The train that I left Grand Rapids on consisted of 13 cars, carrying 300 hunters, all armed with high power rifles, and if they all didn't get a deer it was their own fault, for there were plenty.

Pike County Man Under Forgery Charge

The Ashland Independent says: Charged with forgery and passing cold checks, Harmon Maynard, alias H. M. Maynard, of Pikeville, waived examination this morning before Judge Kennedy and was placed under \$500 bond until the next sitting of the grand jury.

Maynard was charged with forging the name of W. H. Taylor of Pikeville to a check for \$12.75 on the 13th of Sept. last and gave it to the J. J. J. & Son clothing firm of this city, according to the police. Taylor, a brother of this city, states that Maynard passed three cold checks on him during the month of September. The three checks total \$103.70.

Maynard was returned to a cell on his failure to pay bond but asked that Scott Walker of Catlettsburg, be notified as he would go on his (Maynard) bond.

Other Cases.

Maynard is charged with passing a forged check in Louisa and one in Ft. Gay, and a cold check at Glenhays. The name of Attorney A. J. May was used on the check passed in Louisa and on some other checks that we have heard of. Reports say Maynard has done a wholesale business in bad checks. If half those reports are true he probably will be working for his "bond and clothes" for a number of years.

Rev. W. W. Hanks and Mrs. Sallie Gardner Married

On Thanksgiving day Rev. William Wallace Hanks and Mrs. Sallie Woods Gardner were married in Louisa, at the home of the bride's brother, James H. Woods. Rev. J. D. Bell, of the M. E. Church South, performed the ceremony.

Mr. Hanks lives in Ashland and his bride comes from Welshville. She is the widow of Joseph Gardner, a traveling salesman, who died several years ago. She is a most excellent woman. Rev. Hanks is an excellent minister, well known in many places in the middle west. He has engagements in northern Ohio for the winter.

GOOD PROMOTION FOR MR. J. A. CRUMLEY

Mr. J. A. Crumley has been promoted to General Superintendent for the Ohio Fuel oil company and after January 1st his headquarters will be in Charleston, W. Va. The company has operations in various parts of the United States. Mr. Crumley's new position is one of large responsibility, but he is easily capable of meeting the demands.

Mr. Crumley has made many friends in this county and will regret to see him leave here. Louisa people also are sorry to lose the family as residents. We wish them every success and pleasant surroundings in their new location.

Mr. Crumley is to be succeeded in the large field by a Mr. Hatfield, who has been in the employ of the company for several years in West Virginia.

DEATH OF V. J. POIRSON.

Died, November 24, 1920, Hon. V. J. Poirson, aged 54 years, at Decaturville, La., husband of Inez V. Poirson. The funeral was one of the largest ever held in that parish. His remains were followed by the bar and P. S. Senator of that parish and State. He leaves a wife and one daughter. His wife was Miss Jess, daughter of Lee Poirson, and niece of Dr. A. W. Poirson and Sam Poirson of Louisa. She was born and reared in Louisa and has many friends here who sympathize with her in this bereavement.

HIGH CLASS ENTERTAINMENT

The first number of the eleven courses which appeared at Eldorado theater last Friday night, was a most enjoyable one. It was a musical number with an unspokeable name. Two violins, a cello and piano composed a quartet of very high quality. Each performer was a real artist. Helen Lane, dramatic soprano, also did creditable work. The house was crowded. The next number in this course will appear on January 15, the Liberty Bell, a musical quartet of ladies.

APPELLATE COURT DECIDES CASES

LAWRENCE AND PIKE COUNTY APPEALS SETTLED BY KENTUCKY'S HIGH COURT.

Frankfort, Ky., Nov. 26. A verdict for \$15,000 for the loss of a foot by a seven-year old boy, the third largest verdict of the kind in this state, was returned by the Court of Appeals today, when the Court affirmed the Pike County Circuit Court's decision in the case of the Pike County Railway Company against James Marvin Houdaker.

When returning from school the lad caught his foot in a railroad switch-frog and before he could unfasten it a train struck him. The evidence was conflicting as to the approaching train.

The Court said that this evidence was not very material, because there was no warning and no lookout. As the boy was only 7 years old, the Court said that the verdict was not excessive.

The Appellate Court affirmed the two years' sentence in the penitentiary imposed upon Milt Cooper by the Lawrence Circuit Court for having struck Will Clay with a blackjack.

West Virginia Gas and Oil Tax Invalid

Charleston, W. Va., West Virginia will be deprived of large revenues through the action of the State Supreme Court in deciding to be unconstitutional, as applying to interstate business, the law passed at the extraordinary session of the Legislature in 1919 levying a privilege tax on pipe line transportation of oil and gas over distances greater than ten miles. The Court rules that the tax can be imposed only on intrastate business.

The constitutionality of the law was tested by the Eureka Pipe Line Company and the United Fuel Gas Company in two suits brought in Kanawha Circuit Court against state officials, seeking to restrain them from collecting the tax. Judge H. D. Rummel, of the Circuit Court, decided that the law was unconstitutional, and an appeal was taken by the state.

The privilege tax law was enacted March 31, 1919, and provided for collection of a tax of 2 cents a barrel on oil, and one-third of a cent for each 1,000 cubic feet of gas flowing through pipes.

Woman Burned to Death at Prestonsburg

Prestonsburg, Ky., Nov. 26.—Miss Flora Staley, 50 years old, was burned to death today when her clothing caught fire from an open grate. Her 80-year old mother tried in vain to save her.

MINE FOREMAN EXAMINATION.

The board of examiners will meet Dec. 20th for three days at the Mining Department of the University of Kentucky, Lexington, to examine applicants for mine foreman and fire boss certificates. A fee of \$2.50 will be collected during the examination.

COMPANIONS, NOTICE.

There will be a called meeting of Louisa Chapter, No. 95, R. A. M., Friday night, Dec. 3. Work in R. A. degree. A full attendance is desired.

FEDERAL TROOPS AGAIN IN MINGO

STATE SOLDIERS UNABLE TO KEEP ORDER IN THAT CRIME RIDDEN COUNTY.

At the request of Governor Cornwell, U. S. soldiers have again been sent to Mingo county, W. Va., where striking miners have kept up a reign of terror since last spring. 400 men were sent from Camp Sherman, Ohio, are now in full charge of affairs in Mingo.

Two Sheriffs Shot.

Despite the presence of the soldiers William Peakes and Everett Dotson, deputy sheriffs of this county, were shot Tuesday at Harpersburg, Ky., when they attempted to arrest non-union miners. The shooting occurred at Tug River, almost opposite Matestown.

Peakes died in a hospital. Dotson received a bullet in the eye. Nathan Beavers sought by authorities in connection with the shooting, has not been captured.

The Muncy Shooting.

Taylor Muncy, of Louisa, charged with shooting the Elkton brothers last week, shot in self defense. He was down on the floor and being beaten when he did the shooting. He fired through a side pocket of his coat without hitting the weapon on.

Muncy, Dutch Priest, Jesse Shink and Henry Small, non-union miners in the employ of the Boardman Coal Co., were arrested and locked in jail at Harpersburg.

They are non-union men who were charged out of Boardman by the company.

The men were protected by soldiers until they got on the train. A non-union man got on the train and snatched them.

Witnesses of the affair say to some extent but it seems that the hatred of the union miners toward those who have not joined the organization and are at work employed in the result.

John Edkins lived only five minutes after being shot. His brother Joe was shot in the leg.

SIXTY YEARS OF WEDDED LIFE

Mr. and Mrs. F. H. Moore celebrated their sixtieth wedding anniversary on Thanksgiving at their home in Louisa. They entertained many of their relatives and friends, among them being Mrs. Net Moore and children, of Huntington, W. Va., Mrs. Higgins of Ashland and Mr. and Mrs. L. J. Webb, Dr. Will Moore of St. Louis, Mo., had been in an automobile accident and was unable to be present. Mrs. Farley of Logan, W. Va., was kept away by the death of Dr. Farley's mother which occurred on Tuesday.

It is a very rare thing for a couple to live to celebrate the sixtieth anniversary of their marriage. These good people are both enjoying better health than most people who live to their age, and have promise of many years yet.

Robert Sturgell Dies After Long Illness

Robert Sturgell died in Ashland Tuesday, after having been in a helpless condition for three years. Paralysis was the trouble. He was about 70 years old and his home was in Lawrence county for many years. His wife was a daughter of Judge John J. Jordan of this place.

The body was taken to Yeager, Pike county for burial by the side of his mother. Dr. W. A. Berry brother-in-law, accompanied the remains. Mr. Sturgell was an honest, industrious citizen.

Others accompanying the body to Yeager were Mrs. Pamela Sturgell, Dr. and Mrs. J. D. Sturgell, Dr. and Mrs. G. M. Sturgell, and Mrs. W. A. Berry.

THANKSGIVING VISITORS.

Mr. and Mrs. G. W. Atkinson had as their guests for Thanksgiving week Mr. and Mrs. S. B. Peters and three children, of Kenova; Mr. and Mrs. J. N. Bryan and children, of Huntington; Mr. and Mrs. C. K. Kays, of Ashland; Mr. and Mrs. M. E. S. Posey of Ashland. Mr. Silvers had been to visit his brother in Cincinnati, also his sister, Mrs. Haskell Lee, in Akron, Ohio, stopping over here to spend a week with home folks.

MARRIAGE LICENSES.

Wm. Parker, 34, of Drift, to Golda Skaggs, 23, of Lowmansville.
James D. Moore, 26, of Louisa, to D. L. Lattila McKinstor, 18, of Noris.
Rush Frazier, 27, of Clifford, to Muri Fitzpatrick, 16, of Glenhays, W. Va.
Joseph P. Clark, 24, of Harpersville, Ohio, to Bessie Rowe, 21, of Fort Gay, W. Va.
George Hammonds, 27, to Lizzie Copley, 17, of Welsh, W. Va.
Wm. D. Payne, 25, of Portsmouth, to Oona Fletcher, 24, of Louisa.

UNION THANKSGIVING SERVICE.

On account of the fact that Rev. J. D. Bell was suffering from a very severe cold Rev. John Cheap, pastor of the M. E. Church, preached the Thanksgiving sermon at the Baptist Church. The sermon was very appropriate and is much complimented by those who heard it. The service was held at the Baptist Church with Dr. Anderson in charge. Prof. Saucier played the piano.

FORD AUTOMOBILES.

I have just received a shipment of Ford automobiles and those who will want machines next spring should come in at once and arrange for them. The supply has been short of the demand all the year, and past experience shows that next spring will bring such a rush for machines that delivery cannot be guaranteed within a reasonable time. The price is down and those who buy now from me will get a special inducement. Call and see. A. SNYDER, Louisa, Ky.

Mrs. Rose Candill Dingsess, of Harpersburg, W. Va., died in a Huntington hospital Tuesday. Burial took place Wednesday at Ashland.

SHRINERS' DAY IN ASHLAND.

Junior Lodge, G. R. Burgess, E. L. Wellman, O. C. Gartin and E. K. Spencer attended the Shriner's meeting in Ashland Thursday. Also the following who were among the large number initiated at the meeting: J. L. Richmond, W. L. Hays, A. H. Snyder and J. B. Hughes.

LAWRENCE COUNTY SORGHUM NOTICED

COURIER-JOURNAL GIVES IT A PLACE IN THE EDITORIAL COLUMNS.

The following is an editorial from the Courier-Journal:

More than once The Courier-Journal has mentioned, as a somewhat neglected industry susceptible of profitable development, the growing of sorghum for making sirup. An example of profitable development of sorghum growing and sirupmaking upon a small scale in the Big Sandy Valley is described in a letter from B. E. Adams of Louisa published in the Southern Agriculturist.

The increase of production by use of better mills indicates the development of sugarcane. Inefficient mills, operated by oxen, wind or water power, partly crushing the cane formerly were used wherever sugar or cane sirup was made. Much of the sugar was lost. "Purification" effected by the use of lime or ashes hardly deserved the term.

Nowadays modern machinery removes practically all of the sugar from the cane. The crushed fiber provides all of the fuel for operating the mill.

Cane sirup has been high priced and hard to procure in recent years. The markets have been flooded with corn sirup and "cane flavor" mixtures.

A prejudice has existed against sorghum because of the crudity of methods employed usually in making it and irregularity in boiling which produces a sirup sometimes black and gummy, sometimes thin and watery. Standardized, unadulterated filtered sorghum sirup should find a broad market at this time. It should remain a substantial competitor of cane sirup even in the event of further recession of cane prices, as well as a challenger of corn sirup and the various blends in which corn sirup is the base.

The development of the sorghum sirup industry in Kentucky there are large opportunities which have been little considered. The Louisa experiment shows what possibilities there are in sorghum for mountain farmers, especially for those so situated, as to roads and railroads, that a concentrated product is about the only farm product they can haul to market at a profit.

Catlettsburg Man Arrested on Embezzlement Charge

J. T. Ahern, Louisville, special agent for the American Railway Express Company, returned to his home and headquarters after having landed an alleged embezzler following a hunt of several months.

The man arrested, W. L. (Peter) Justice, 33 years old, messenger on the C. & O. railroad, between Louisville and Ashland, is in jail at Catlettsburg awaiting hearing December 13.

Mr. Ahern charges that Justice appropriated almost \$2,000 in remittance packages in nine months ending last September. Most of the money had been consigned by the Huntington, W. Va., National Bank. Justice's method according to the special agent, was to sign for money entrusted to his keeping and then destroy his records. The messenger was trailed through Ohio, West Virginia and Kentucky. Mr. Ahern said.

Justice lives in Catlettsburg.—Courier-Journal.

WEST KENTUCKY CRUDE REDUCED

OIL REFINERS MAKE CUT OF 25 CENTS BARREL IN POSTED PRICE.

Buyers of West Kentucky crude oil Saturday announced a reduction in the posted buying price of 25c a barrel bringing it down to \$4. This is the initial action in this section towards reducing a commodity—crude oil of which "experts" a short time ago were speaking as "invulnerable" to the general price decline, because of the enormous demand for gasoline.

Refiners say the reduction in gasoline demand at this time is only seasonal. The cut in crude is due to the lower gasoline, fuel oil and lubricant prices recently announced and to the fact that the demand for fuel oil has decreased enormously through the suspension of many industrial plants which used it extensively, refiners say. Refiners in the West are reported to have closed indefinitely on account of the fuel oil situation.

Practically all crude produced in Allen, Warren, Harren, Simpson and other Western Kentucky counties, is loaded as "West Kentucky," and is therefore affected by the reduction. Refiners operating in that field which made the cut are the Scott Refining Company of Louisville, the Petroleum Refining Company, the American Refining & Refining Company and the Indian Refining Company.

Oil offered for sale in this section is said to be plentiful and some have been sold at less than the posted price, particularly by producers whose output is not advantageously located for competitive bidding. Sales are said to have been made as low as \$3.77 a barrel. The peak price of \$4.25 for oil produced in this section represented an advance of about 100 per cent in two years.

Eastern Kentucky crude, generally graded as Somerset and Somerset Light is not involved in the present reduction but local oil men say they would not be surprised to see it reduced due to the unsettled crude oil market.—Courier-Journal.

A CLUB CHARTER FOR EVERY SCHOOL

In another column of this paper will be found a proclamation of the Governor proclaiming the week of December 6-11 as "Club Enrollment Week" for Kentucky. The State College of Agriculture is ready to give a charter to every school district that has a club of six or more members.

We want to see a club charter hanging on the walls of every school in Lawrence county.

Parents and teachers, why not have an active club in your district? Our young people are ready to follow a leader. Why not lead? Why not start something that has never been started? Our communities are just what we make them.

21,000 For "21"

The call comes to our young people of Kentucky. Twenty-one thousand Junior Club members in 1921 will make Kentucky the banner state of the South and will cause an extension school to be established in every home and on every farm where there are club members. This will mean thousands of dollars for the boys and girls and, better still, an opportunity for an education.

Boys and girls, why not belong to a club that is backed by the U. S. Department of Agriculture and the State College of Agriculture? Why not enroll and get credit for your work as you do it any way? Have a Junior Club in your district. New application cards can be secured from your County Agent. Following are some of the things you can do: Raise corn, potatoes, soy beans, sweet clover, fruits, pigs, chickens, poultry, bees, study sewing, canning and butter making.

Ask your teacher for help and write me to-day for application cards and start your club. Choose your district leader and let's help to answer the call.

If you live to the letter
To make the best better
Twenty-one thousand in "21."
G. C. BAKER, County Agent.

ASSESSMENT OF COAL PROPERTY

STATE TAX COMMISSION WILL MAKE A STATEMENT ON THIS SUBJECT.

Frankfort, Ky., Nov. 24.—Figures to demonstrate what has been done by the State Tax Commission in the way of assessing coal property are in course of preparation by the commission. The information will be made public as soon as the data are collected, but until then the commissioners will have nothing to say.

"It would not be becoming to me and would not avail anything for me to make a statement before I had discussed the matter with the Tax Commission," Governor Morrow said today when his attention was directed to an editorial in The Courier-Journal relative to coal producing counties which are in the dependent class.

"It is a big question and I would not speak offhand or assume anything but that the commissioners have assessed the coal property just as high as any other."

"I don't feel that we are put on the defensive in this matter," Chairman James A. Scott of the commission said. "And I don't intend to respond in that vein. I am doing this, however; I am having the assessments of a number of typical coal producing counties analyzed, and the same thing done with many typical agricultural counties in different parts of the State, and when this information is all assembled in the next few days we can get, perhaps, a real basis for comparison. I don't pretend to say myself how it will come out."

"Coal property, under the law has been assessed like all other real estate, the last two years 85 per cent of what it would bring at a fair voluntary sale for cash. Included in this is the mining equipment just like improvements on a farm, but we have been valuing the equipment separately to get a higher valuation on it. There is taken into consideration whether the property is being operated, its accessibility to railroads, the likelihood of its availability for immediate development or the remoteness of its prospects and all the factors that increase or decrease the value of coal."

"The County Tax Commissioner assesses coal property in his county and the State Tax Commissioners review his recapitulations of these assessments along with the other schedules."

There is no one in the field force under the commission designated as a special coal expert. Chairman Scott himself is from Pike county, and probably is better acquainted than any one else with the others with that kind of property.

Chairman Scott has been on the commission since its organization. Commissioner Rainey T. Wells, Murray, had his appointment last winter in time to participate in the review of a few of the 1919 assessments. Commissioner Lem Davis, Hopkinsville, has been in office only about two months.—Courier-Journal.

TO WED AT HUNTINGTON.

Miss Dorcas Holt, daughter of Mr. John H. Holt, the distinguished lawyer, and Mr. Hugh P. Shank, well known automobile dealer, will be married within the next few days.

Charles J. Howes, formerly of Paintsville, has been appointed to a position in the automobile department under the State Tax Commission.

IT TAKES THE STARCH OUT OF A FELLOW

Working Hard Every Day Without Let-up Wears You Out in Time

SOMETIMES YOU NEED A TONIC

Pepto-Mangan Makes Rich Red Blood and Lifts You Out of Bad-Health Ruts.

There are days when you feel downright sick. You think you couldn't feel any worse. Yet, as far as you know, there's nothing the matter with you. From the time you get up in the morning till you go to bed at night you are tired. You feel as though you'd like to sit down and do nothing. You look tired and pale and haggard. You get careless about your dress.

No wonder! Your blood is all clogged up with poison. Your power of resistance is at a low ebb. Your blood needs food. It needs the help that the vitalizing tonic, Pepto-Mangan, will give it. Instead of feeling exhausted and tired out for months, you will soon pick right up and feel well and strong again. And with good red blood you are able to fight off ailments.

Pepto-Mangan is widely and heartily endorsed by physicians. It is effective and easy to take. It is prepared in both liquid and tablet form, and you can take one or the other and receive the same benefits. Sold at any drug store. But be sure you get the genuine Pepto-Mangan—"Gude's." Ask for it by the full name and be sure the full name, "Gude's Pepto-Mangan," is on the package. (Advertisement.)

SIMILAR CASES BEING PUBLISHED IN EACH ISSUE.

The following case is but one of many occurring daily in Louisa. It is an easy matter to verify it. You cannot ask for better proof.

K. F. Vinson, Water St., Louisa, says: "Whenever I have had a spell of kidney trouble or rheumatic twinges, I have bought a box of Doan's Kidney Pills at the Louisa Drug Co.'s Store. They have removed the pains from my back and took the rheumatic twinges from my limbs. My back has sometimes been lame when I have done too much lifting and I have been subject to rheumatic twinges after taking cold. The trouble has generally been in my limbs, from my hips down. My kidneys have acted too frequently, bothering me at night by causing me to get up too often. All of these symptoms have disappeared after I have used Doan's Kidney Pills and I have felt like a different person, being strong and active."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Vinson had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

YOU certainly want to save money, and you would like to have better bakings. Then use Calumet. It's the biggest thing you can do to improve the quality of your bakings—and lower baking costs.

Calumet is made in the largest, most sanitary Baking Powder Factories in the World. No Baking Powder is made under better conditions—none can be better in quality.

It contains only such ingredients as have been officially endorsed by the U. S. Pure Food Authorities. An absolute guarantee that it is pure.

RAISES THE QUALITY—LOWERS THE COST OF ALL BAKINGS

CALUMET BAKING POWDER

It received highest Awards, World's Pure Food Exposition, Chicago—Paris Exposition, Paris, France—positive proof of its superiority.

It is used by more housewives and domestic scientists than any other brand.

It is sold at a moderate price. All you have to do is to compare costs to determine how much you can save by buying Calumet.

Gluten is the muscle building part of flour which is of great importance.

To be sure you get it in your bakings use plain flour and good baking powder, (not self-rising flour).

Calumet Cream Cakes Recipe
—3 cups pastry flour, 3 level teaspoons Calumet Baking Powder, 1/2 cup butter, 1/2 cup granulated sugar, Yolks of 3 eggs, 1/2 cup cold water, Whites of 3 eggs, 1 teaspoon orange extract. Bake in the regular way.

The Logical Place to Buy

ZENNER-BRADSHAW COMPANY
"THE FOURTH AVENUE STORE" Huntington, W. Va.

The Happiest Day of All the Year 'Tis "Christmas" that Brings Us the Mostes' Cheer.

With Gifts for everyone, there is a satisfaction as well as genuine comfort in shopping for Christmas at this store. Whether the gift be a tiny handkerchief or a big fur coat there is an ease in finding what one wants, a promptness in service that even Christmas crowds have not disturbed and a prevalence of lowered prices which cannot help but put the old spirit into Christmas giving.

SHOP EARLY

The infinite satisfaction of leisurely selection, the knowledge that one chooses gifts before stocks are at a low ebb, the consciousness of being served by salespeople who are not overtaxed; the confidence that the decision and judgment in choosing a gift is surer—all this adds to the joy of Christmas giving.

Gloves for the Whole Family
Gloves for Christmas

From Father to the baby, Gloves make fine gifts to pull out of the Christmas stocking. Gloves include street gloves in durable leathers, chamouis and mocha, dressy Gloves for holiday functions, sport Gloves, knit, and fleece-or fur-lined, and Mittens for the youngsters, wooly and warm. One never goes amiss on the gift of Gloves, whether it takes a utilitarian or frivolous turn.

GET MORE BUTTER

Mrs. Hattie Meese of Glenn, Missouri, says: "I was not making enough butter from my cow's milk production for a family of two. After using Dr. LeGear's Stock Powders a short time, she gave a half gallon more milk a day, and a pound of butter a day."

Dr. LeGear's Stock Powders give to milk cows just what is needed to keep the digestive organs in proper condition, so that they get the most possible good from their feed. Give equally wonderful results when used for horses, hogs, and sheep, because they are a tonic, appetizer and worm expeller.

It matters not what ailment you may have among your stock or poultry, it will pay you to get the proper Dr. LeGear Remedy from your dealer. They are the Doctor's personal prescriptions, compounded during his 28 years of Veterinary Practice and Expert Poultry Breeding. They must satisfy you, or your dealer will refund your money.

WHEN YOU PLACE THE RING ON HER FINGER

When the "one" girl answers "Yes" and you place the ring on her finger, be sure the quality of the diamond is as pure as the love which prompts its giving. Be sure the setting wrought of platinum or gold expresses to the utmost the sentiment you wish your engagement ring to carry.

Use Our Club Plan

For 92 years Lemon & Son have specialized in just such engagement rings. Many of their purchasers today are the grandsons and great grandsons of the men who purchased their engagement rings from Lemon & Son in 1828.

Whether you buy an engagement ring at \$42.00 or one at \$4,000.00, you will find that an effort has been made to give our customer the utmost in quality, the utmost in quantity—the fullest value.

PIKEVILLE

Mrs. Burgess Passes.

Mrs. Robert Burgess passed away suddenly Tuesday morning. She was a fine woman and was esteemed highly by all who knew her. She leaves her mother, Mrs. Steele, and two daughters, Mrs. James Gillespie of Huntington, W. Va., and Mrs. Sam Caudill of Pikeville, also two sisters, Mrs. Clarence Brown and Mrs. Hobson, and one brother, Hon. W. K. Steele, U. S. Commissioner here. Burial at Coal Run Thursday.

Pioneer Passes.

Freeland T. Ratliff died at his home here last Saturday morning, November 27. He was a pioneer of the county and town, coming here from Coal Run. He founded the Ratliff Drug Store and for more than forty years was its proprietor.

Mr. and Mrs. Langley and the children closed "Rockledge" last Friday and left for Washington, D. C.

Mr. and Mrs. Dink Hodge, for a number of years connected with the Adkins hotel are now residing in Ashland where they are conducting a grocery store.

Judge Marris and son, who have been living near Winchester for the past few years have returned to Pikeville to reside.—News.

MOTHER GAVE IT

Virginia Lady Suffered With Aches and Pains Until Mother Began Giving Her Cardui.

Dublin, Va.—Miss Mary Allee Hughtett residing on Route 2, near here, recently told a visitor of her interesting experience with Cardui. Miss Hughtett said: "I had been suffering for some time with painful... I was pale, didn't feel like going. Would just drag around, and couldn't rest to do any good. I would suffer once a month with my back, sides and head. My limbs would ache and I didn't know what to do, but I knew I must do something, for I didn't get well by letting it run on.

"My mother is a believer in Cardui, for she saw what it did for others as well as herself, so she began giving it to me.

"It wasn't long before I saw a change. It was just what I needed. It regulated me. I began to eat and sleep, and the pain stopped.

"Cardui is without doubt the best female tonic made, and I am glad I can recommend it to others."

If suffering with symptoms such as Miss Hughtett mentions, or other ailments peculiar to women, why not begin Cardui at once? Its merit is well established by successful use for more than 40 years.
